products to watch with star power

Pick Of The Week!

## Hot BOOK

Style by Jury host **Louise Roe** shares her secrets in her first book, *Front Roe: How to Be the Leading Lady in Your Own Life*. Packed with tips on emulating the TV personality's overall aesthetic, from her fashion sense (discovering your own style and looking chic while traveling) to beauty pointers (must-have products and how to find your signature scent) to lifestyle suggestions (making your home a sanctuary and throwing a glamorous party), the guide is full of inspirational and informative tricks. Our verdict? The handbook is a winner! \$25, amazon.com

## Hot EVENT

Get ready to jam: Rock in Rio, the legendary Brazilian-born music festival, is celebrating its 30th anniversary... in Las Vegas! **Gwen Stefani**, seen here at the launch event announcing the superstar headliners, joins the industry's A-list performers for two weekends of tunes. Rock and pop artists including No Doubt, Metallica, **Taylor Swift**, **Bruno Mars** and **John Legend**, among others, will have you singing along. Sound spectacular? Snag a weekend ticket — there's No Doubt it'll be a concert for the ages. From \$298 for tickets, [rockinrio.com/usa/tickets](http://rockinrio.com/usa/tickets)

## Hot COLLABORATION

Iconic fashion brand Lilly Pulitzer, famous for ladylike silhouettes, colorful patterns and preppy Palm Beach-inspired motifs, partnered with Target for the latest limited-edition designer collaboration. Launching on April 19, the collection's 250 apparel, accessories, home and beauty products — including dresses, swimsuits, pillows, bobby pins, towels, nail files, beach chairs, and coasters — all adorned in the line's signature prints, will make you feel like you're on vacation year round. From \$2 to \$150, [target.com](http://target.com)

## Hot CAUSE

Kiehl's is bright-eyed about our planet's future! In honor of Earth Day, the beauty brand has joined forces with Recycle Across America, a nonprofit organization dedicated to helping standardize labels in schools across the United States. Eco-conscious celeb **Elizabeth Olsen** designed a limited-edition Creamy Eye Treatment with Avocado, and 100 percent of the profits (up to \$50,000) will go to the cause. How's that for going green? \$47, [kiehls.com](http://kiehls.com)

## Hot HOTEL

Thinking about an exotic vacation? We've found your room with a view in Grenada, Nicaragua. The boutique Tribal Hotel is nestled in the heart of the colonial city, surrounded by lush courtyards and walking distance from a lively nightlife scene. Relax on an outdoor lounging bed in the tropical garden or take a swim in the dipping pool with tiles modeled after the sidewalks of Copacabana. With only seven rooms, each having private terraces and decorated with custom pieces made by regional artisans, you'll feel instantly acclimated to the local life. [tribal-hotel.com](http://tribal-hotel.com) ★
